SUMMARY

Marketing communications leader who plans and runs the full program at APMEX, one of the largest online precious metals retailers in the U.S.: strategy, email, social, PR, content, paid media and vendor relationships across three brands. A direct response copywriter by trade, known for clear, credible messaging and honest reporting that leadership acts on.

EXPERIENCE

Marketing Communications Lead, Brand Marketing

Aug 2023 – Present

APMEX (Bullion International Group), Oklahoma City, OK · *Employee of the Quarter, Q4 2023*

- **Strategy and planning:** Build integrated campaign plans, seasonal calendars and messaging frameworks for APMEX, OneGold and affiliated brands. Set the brand voice standards and value positioning every writer uses.
- **Email and lifecycle:** Write promotional and lifecycle email, including an 8-email cardholder activation series. Analyze sends against break-even and fix tracking; found three gaps hiding partner email revenue.
- **Social media:** Own strategy, cadence and community for three brands. Selected and rolled out Sprout Social across 8+ platforms. Created a short-form format whose top video reached 420K views.
- **PR and earned media:** Write and distribute press releases through Notified, serve as media contact, pitch journalist requests and run podcast guest outreach.
- **Paid media and vendors:** Plan and evaluate digital out-of-home, print and native advertising, and manage relationships with media, wire and platform vendors.
- **Campaigns:** Led “APMEX Is the Spot”; campaign posts drove nearly two-thirds of the week’s link clicks and lifted follower growth about 33%.
- **Content and SEO:** Wrote 63 bylined SEO articles, video scripts and landing page copy; manage publishing and descriptions for a 186K-subscriber YouTube channel.
- **Reporting and AI:** Own the monthly Brand Marketing Report for leadership. Build AI-assisted tools with Claude for daily listening, planning and priorities.
